## Churches & Homes Destroyed by Myanmar Cyclone

Our National Director, Dr. James Lian Sai has just reported the following for your intercession and involvement. Please pray and cry out to the Lord for His mercies at this time of need:

1. Home of four family members of one of ACTS' churches in Yangon were destroyed.
2. Four of the seven churches in Bago Division were partially destroyed. Many of the church members' houses were destroyed and they are in need of food, clean water and shelters.
3. In Twen Te, the church and Pastor Thawng Lin Thang's

house were utterly destroyed.

4. The churches in Laputta and Wakhama in Irrawaddy Delta were totally destroyed.
5. Pastor Biak Awi of Myo Chaw Kone and Pastor Hungma of Kayanlay - the churches were partially destroyed.
6. The brick fence (135x100 feet) around the ACTS Bible College & Institute suffered great damage.
7. The roofs of the dormitories and dining hall at ACTS campus were destroyed.
8. Praise the Lord for the safety of all the 100+ students and 100+ orphans on ACTS campus.

We are still not able to reach the 11 churches in the cyclone-affected area. We do not know if they survive the cyclone. The churches there are definitely destroyed. It is not possible to estimate the cost of lives affected. This is one of the darkest hours, but we are trusting the Lord for His mercies and grace in coping with the disaster.

Prayers:

1. Speedy restoration of basic services.
2. Availability of clean water, shelters, food, medicine, and clothing.
3. Prevention of the spread of diseases.
4. Rebuilding of lives, churches and homes.
